Thank you!

Have copies of the inspection reports that are finished been sent to Ryan, James, or myself?

Sincerely,

Cheryl Burdett

Subject: CAFO Program: NPDES Evaluations Summary

Per the requirements of the FFY 2013 Illinois Program Work Plan, attached is the list of NPDES evaluations conducted by Field Operations Section staff that are assigned to the CAFO program.

As you will note, the number of evaluations and the number that were conducted during or after precipitation events exceeded the USEPA Region 5 expectations.

If you have any questions, please let me know.
